5-Year Trend of Government & Non-profit Contracts and Agreements

Description

The number and value of government and non-profit sponsored research projects (excluding grants) recorded in RISE for which UBC received funding.

Person with lead responsibility for this metric: Associate VP Research, VPRI

Data collection will be from: Associate Director, ORS / Director of Operations, UILO

Date: Fiscal year April 1- March 31. Data is normally finalized in June.

Explanation of Results

UBC researchers engaged in 951 research contracts and agreements with government and non-profit organizations in 2012/13, generating funding of \$83.3M.
