3-Year trend of # New ventures supported by entrepreneurship@UBC

Description

Definition used is restricted to companies acquiring formal support through space, funding and UILO start-up services voucher offer. Does not include help provided informally and through workshops and seminars etc.

Person with lead responsibility for this metric: Associate VP Research, VPRI

Data collection will be from: Executive Director, entrepreneurship@UBC, UILO

Date: Collected for each fiscal year April 1-March 31. Data normally available in April.

Explanation of Results

In 2012/13, 98 new ventures created by UBC students, faculty, staff and recent alumni (graduated within previous 3 years) received formal support through the entrepreneurship@UBC program in the form of subsidized space, free start-up services and investment funding.

Specifically, ventures created from Vancouver site are supported through the following programs -

- Voucher programs : 41
- Lean launch pad : 9
- Incubator (by entrepreneurship@UBC) : 30

Ventures created from Okanagan site are supported through the following programs -

- Voucher programs : 2
- Incubator (by Accelebrate Okanagan): 2
- Coaching/connection support : 14
 - Inclusive of 8 that were supported through a weekend boot camp in collaboration with faculties and student associations
