Description (definition)

- All honors listed are UBC-Vancouver faculty members.
- Award reporting dates reflect the calendar year, not the academic year.
- The awards selected represent the most prestigious National awards received on a cyclical basis.

Person with lead responsibility for this metric: Associate VP Research, VPRI

Data collection will be from: Faculty Awards Coordinator, VPRI

Date: Collected throughout the year; these numbers are normally all collected and available by late March or early April each year (Aim: April 1st)
